Parish Champion update B Dunk

B Dunk had met today with Nick Mars regarding the surface dressing within Northorpe.

**Action** AH to write to Steve Wiles stating B Dunk had met with N Mars on 21<sup>st</sup> June 2011 regarding the surface dressing. N Mars advised the material used was a temp cut back material rather than purpose patching. This was undertaken two days before the road was resurfaced, and subsequently the road sweep went over it within 24 hours. This brought the surface up again. N Marsh has taken photographs of the problem areas.

Playing Field update – Neil Montgomery

The Parish Council needs to complete a form as a grant of £38,000 has been awarded to the Northorpe Playing Field.
